“Preparation” Quotes:

Colin Powell

“There are no secrets to success. It is the result of preparation, hard work, and learning from failure.”

Unknown Authors

“Today’s preparation determines tomorrow's achievement.”

“For every minute spent in organizing, an hour is earned.”

“When a love comes to an end, weaklings cry, efficient ones instantly find another love, and the wise already have one in reserve.”

“Glorious is the tumult of the waves that crash against a vessel, preparing it for the seas of life.”

Charles F Kettering

“I am not interested in the past. I am interested in the future, for that is where I expect to spend the rest of my life.”

Abraham Lincoln

“If I had six hours to chop down a tree, I'd spend the first hour sharpening the ax.”

Confucius

“Success depends upon previous preparation, and without such preparation there is sure to be failure.”

H. Jackson Brown Jr.

“The best preparation for tomorrow is doing your best today.”

Roger Staubach

“Confidence doesn't come out of nowhere. It's a result of something...hours and days and weeks and years of constant work and dedication.”

Emmitt Smith

“For me, winning isn't something that happens suddenly on the field when the whistle blows and the crowds roar. Winning is something that builds physically and mentally every day that you train and every night that you dream.”

Andrew Carnegie

“The first man gets the oyster, the second man gets the shell.”
